

33 · TradingView Integration,

TradingView Integration, On Purpose

01 · THE IDEA

CryptoPrism doesn't build its own charting engine. It integrates TradingView, on purpose.

TradingView Integration, On Purpose

02 · HOW IT WORKS

Charts feel like a core, ownable piece of a data product. Building them is also years of work in drawing-tool ergonomics

TradingView Integration, On Purpose

03 · WHY IT MATTERS

The edge is the on-chain data feeding the chart, not the pixels drawing it. So the platform builds the part that's its m
