Thirty Days of Writing About the Boring Parts, Cont'd

01 · THE IDEA

I expected the hard numbers to carry a technical post. Two weeks of writing said otherwise.

02 · HOW IT WORKS

The posts about discipline, testing, uptime, session consistency, what I stopped measuring, read the same as the ones wi

03 · WHY IT MATTERS

What lands is naming a decision most people make without noticing they're making it. Killing a feature twice. Reading a
